

Press Release
2 December 2003

General Manager Operations moving to New Zealand Blood Services

Metlifecare is sad to announce that Dr Graeme Benny, General Manager Operations, has resigned. Dr Benny has been appointed Chief Executive Officer of New Zealand Blood Services and will leave Metlifecare in March 2004.

Dr Benny joined Metlifecare in August 2001 and since then has helped the company consolidate its strong market position and financial performance.
